

St. Michael's Sports Premium Impact 2024 - 25

In the 2024/25 academic year, we received £16,930. The money was spent to fulfil the following grant conditions:

In the 2024/25 academic year we expect to receive £16,930. The money will be spent to fulfil the following grant conditions:

1. Increased confidence, knowledge and skills of all staff in teaching PE and sport.
2. The engagement of all pupils in regular physical activity.
3. The profile of PE and sport raised across the school as a tool for whole school improvement.
4. Broader experience of a range of sports and activities offered to all pupils.
5. Increasing participation in competitive sport.

PE Apprentice	To increase sports participation and opportunities, a sports apprentice will join the team to work alongside staff in planning and delivering sporting activities for children at playtimes, lunch time and after school. The apprentice will also work with the Sports Crew to increase children's physical activity throughout the school day. Every time the sports apprentice has delivered intra school competitions across the full school.	The sports apprentice has used their specialist knowledge to support with the delivery of lunch time and after school clubs, targeting the most inactive. This has increased participation for many children and supported them in being active for 30 minutes or more whilst at school. More children have been supported and challenged during PE lessons as the sports apprentice has been available to target specific children. The sports apprentice has also worked alongside staff members helping them to increase their confidence in delivering PE lessons. The sports apprentice has giving the children opportunities to participate in competitive sports every half term by delivering intra schools, alongside the sports crew, such as hockey, football, netball, athletics. Competition SLA from Go Well	To provide opportunities for all pupils to access competitive sport. Every child attended a competition or festival and competed against other children from local schools. Competitions included: girl's football, basketball, cross country and many more.	Children have had the opportunity to attend participate and competitive events with Go Well for a range of familiar and unfamiliar sports. We have also used the knowledge gained to host intra school tournaments linking to key sporting events. This has resulted in the children feeling more confident in competitive situations and wanting to be part of a	Record of attendance Pupil voice questionnaires	5	£2,100

		team. Where children have participated in events for 'participation' children have had fun and enjoyed the experience. This has resulted in more engagement in PE lessons, as well as lunch time clubs.			
Transport	Buses to transport pupils to and from different competitions and events throughout the year.	This allowed every single child in the school to attend at least two participation events and one competitive event for familiar and unfamiliar sports.	Invoices Competition tracker	5	£2,300
Fit 4 Life Licence	To increase the amount of daily exercise, all children will participate in Fit for Life sessions throughout the week to increase their physical and mental health whilst improving personal development and cognitive function.	The Fit 4 Life licence provides staff access to the Members Area of the Go Well website. From here, Staff have been able to provide children with a range of exercises and physical activity opportunities that are timetabled into the school day. Individual and group exercise provide children with the opportunity to be physically active as part of the active 30 campaign.	Members Area Go Well Log Learning walks Pupil Voice	1, 3	£497.75
Equipment	Equipment is needing to be purchased to ensure that an engaging curriculum can be continually delivered. Due to the amount certain equipment is used, regular updates are required. Examples include – goals for the KS2 area, soft balls, bean bags, tennis balls, bibs for competitions, running vests, medals to award achievements etc.	Has increased the children's enjoyment by having up to date equipment. More children have attended clubs so that they can experience the new equipment, especially the new dance equipment and new archery equipment. Also, we have been able to offer clubs and Intraschool competitions which we have previously been unable to offer providing a greater variety of clubs e.g. Tag-Rugby and dodgeball. Some of these decisions were made after discussions with the sports crew and the pupil parliament. New equipment is reusable and will last a longer period before needing replacing. UV Dodgeball	To engage pupils and raise the profile of physical activity, dodgeball will be provided at break times and lunch times, alongside an afterschool club. This will also enable children to broaden their experiences in a range of different and competitive sports.	Has gave the children in KS1 and KS2 with a broaden experience of Dodgeball. This allows the children to raise the profile of Dodgeball and broaden their experiences with this sport. It is the perfect opportunity to focus on teamwork and for them to experience the thrill of UV. Moki Health Tracker	Moki fitness tracker devices will allow children to take ownership of their own health data and encourage them to lead active lives. This will support the engagement and participation in regular activity for pupils.	This has allowed the whole school including staff to track and monitor their physical activity levels and take a more conscientious attitude towards being active during their free time. They are competing internally and trying to achieve personal bests.	Moki tracking app Pupil Voice Pupil feedback forms	2,3	£632
National School Sports Week	To raise the profile of physical activity, children will participate in a range of sports throughout the week that they may not have the opportunity to outside of school. The money spent will allow children to engage with such experiences such as rock climbing etc.	Raised the profile of PESSPA in school. All children participated in sport and physical activities every day during the week, and it was enjoyed by all children. The children from the Sports Crew were involved in planning, leading and evaluating the event.	Pupil discussions/ Questionnaires.	2,4	£1,112.92
CPD Support	Support from a PE specialist regarding CPD for PE lessons and extra-curricular activities to upskill staff and support ECTs.	All staff have had lessons planned and team teach where the support has been gradually removed In the Autumn Term the PE Specialist planned and resourced all the lessons for St. Michael's. PE Specialist delivered all of the PE lessons and the teacher supports her with delivery. In the Spring Term the PE Specialist planned the lessons with the teachers and started to team teach certain elements of the lesson. In the Summer Term the PE Specialist will coach and support the teachers as they deliver the full lesson.	Staff questionnaires each term CPD	1,2,3	£1,500
