

St. Michael's Proposed Sport Premium Spending 2025-26

In the 2023/24 academic year we expect to receive £16,920. The money will be spent to fulfil the following grant conditions:

1. Increased confidence, knowledge and skills of all staff in teaching PE and sport.
2. The engagement of all pupils in regular physical activity.
3. The profile of PE and sport raised across the school as a tool for whole school improvement.
4. Broader experience of a range of sports and activities offered to all pupils.

Competition SLA from Sedgefield Sports Partnership (GoWell)	To provide opportunities for all children to access competitive sports. Throughout the year, every child will attend either a competition or festival where they will compete against other children from local schools. This will increase their participation in competitive sports and provide a range of sports and activities that children can take part in. Competitions include: cross country events, tag rugby, football, basketball, OAA, cricket, netball and many more.	5	£2194.50
Autumn	In the Autumn term we attended the following SSP competitions – Cross country, Y1/2 Sports festival, Mixed football, Y3/4 Sports Festival and Y5/6 Alternative Sports. Children have had the opportunity to attend participate and competitive events with Go Well for a range of familiar and unfamiliar sports. We have also used the knowledge gained to host intra school tournaments linking to key sporting events.		
Spring	In the Spring term we attended the following SSP competitions – Swimming festival, EYFS Move with Max, Primary Swimming Gala, Y5/6 Netball and Cricket festival, Y5/6 Basketball, Y1/2 Sports Festival, Y3/4 Sports Festival, Let Girls Play Football, Dodgeball, Tag Rugby and a Dance Festival. Children have had the opportunity to attend participate and competitive events with Go Well for a range of familiar and unfamiliar sports. We have also used the knowledge gained to host intra school tournaments linking to key sporting events.		
Summer	In the summer term, we attended Y5/6 OAA, Year 3/4 OAA, Y1/2 OAA, EYFS Move with Max Festival and Y5/6 Alternative Sports. We have also used the knowledge gained to host an intra school tournament linking to the World Cup.

Fit 4 Life Licence	To increase the amount of daily exercise, all children will participate in Fit for Life sessions throughout the week to increase their physical and mental health whilst improving personal development and cognitive function.	2	£519.75
Autumn	Anne-Marie continued to monitor Fit4Life Sessions and observed each class taking part in the activity. Anne-Marie has worked with ECTs to support in lessons, deliver professional development and ensure that the children were engaged and active for 30 minutes. Anne-Marie will continue to monitor this every two weeks.		
Spring	All pupils take part in regular Fit for Life sessions throughout the week. We continue to monitor and review the effectiveness of this initiative through staff feedback, pupil voice, and observation. It is evident that the programme is being implemented consistently across all classes, with staff fully engaged and children responding positively.		
Summer	Fit4Life has improved pupils' physical fitness, mental wellbeing and overall health while helping to build positive lifelong habits. Increased daily exercise has enhanced children's concentration, memory and readiness to learn, supporting improved academic achievement. Anne-Marie and our Sports Apprentice has monitored Fit4Life and gained feedback from staff and pupils who all feel comfortable in delivering Fit4Life on a daily basis at a high standard.

Equipment	Equipment is needing to be purchased to ensure that an engaging curriculum can be continually delivered. Due to the amount certain equipment is used, regular updates are required. Examples include – footballs, soft balls, bean bags, tennis balls, tennis rackets, medals to award achievements etc.	2,4	£1,377.27
Autumn	Anne-Marie and the Sports Apprentice reviewed the equipment that we had and put in a small order of equipment we needed to ensure we had enough stock.		
Spring	Anne-Marie ordered personalised bibs for pupils to wear when attending events, ensuring they are easily identifiable while representing the school.		
Summer	Following feedback from staff and pupil voice, pupils were consulted on additional equipment they would like to enhance playtimes and lunchtimes. Due to the increased popularity of football, particularly during the World Cup, it was requested that each pitch have its own set of goals rather than sharing and rotating equipment each day. This has helped to provide fairer access, maximise participation and reduce waiting times for pupils.

Trust Sports Day	To raise the profile of physical activity, children will participate in a sports day with the Trust giving the children the opportunities for all children to access competitive sports.	5	£147
Autumn	.		
Spring			
Summer	Participating in the Trust Sports Day has raised the profile of physical activity across the school by providing all pupils with the opportunity to take part in inclusive and competitive sporting events. The event encouraged teamwork, resilience and sportsmanship while allowing pupils to represent their school in a positive environment. Pupils were awarded medals to recognise their achievements and effort, creating a memorable experience and further motivating them to engage in PE, competition and regular physical activity both in and out of sc

Sports Apprentice	Have an impact on teaching staff as they will have additional support in lessons. The PE Apprentice will support the subject lead as they can identify children falling behind and can support increasing the profile of PE and sport across the school. The children as there would be more opportunities for sport and organise games and competitions in school. It will also help more pupils by meeting their daily physical activity goal as more pupils will be encouraged to take part in PE and Sport Activities. Profile of PE is raised through the sports Apprentice.	3	£7,000
Autumn	The Sports Apprentice has provided valuable support to teaching staff by assisting with the delivery of high-quality PE lessons and identifying pupils who require additional support to develop their physical skills. They have helped to increase participation in physical activity during lessons, lunchtimes and extracurricular clubs, raising the profile of PE across the school and encouraging more pupils to achieve their daily physical activity target.		
Spring	During the spring term, the Sports Apprentice continued to enhance PE provision by supporting teaching staff, delivering targeted interventions and organising inclusive lunchtime activities and competitions. Their contribution has increased pupil engagement, confidence and participation in sport, while promoting positive attitudes towards healthy, active lifestyles throughout the school.		
Summer	In the summer term, the Sports Apprentice played a key role in the successful organisation and delivery of the school's Sports Week, providing pupils with a wide range of engaging sporting experiences. They also supported the planning and delivery of the school's first Trust Sports Day, helping to coordinate events, encourage participation and ensure the day ran smoothly. Their contribution further raised the profile of PE and school sport, creating memorable opportunities for pupils to compete, collaborate and celebrate physical activity.

National School Sports Week	To raise the profile of physical activity, children will participate in a range of sports throughout the week that they may not have the opportunity to outside of school.	5	£1,681.99
Autumn			
Spring			
Summer	Providing pupils with the opportunity to participate in a range of sporting activities throughout Sports Week has significantly raised the profile of physical activity across the school. Experiences such as Blade Taekwondo, the climbing wall, the Colour Run, the World Cup competition and Sports Day introduced many pupils to sports and activities they may not otherwise access outside of school. These experiences increased participation, developed confidence and resilience, promoted teamwork and inspired pupils to try new activities, helping to foster positive attitudes towards lifelong physical activity and healthy lifestyles.

CPD Support	Support from a PE specialist regarding CPD for PE lessons and extra-curricular activities to upskill staff and support ECTs.	1,2,3	£1000
Autumn	The PE specialist worked alongside teaching staff to model high-quality PE lessons, providing professional development and increasing staff confidence in delivering the PE curriculum. Early Career Teachers (ECTs) received targeted support with lesson planning, behaviour management and effective teaching strategies, helping to establish consistent, high-quality practice across the school.		
Spring	The PE specialist continued to deliver ongoing CPD through team teaching, observations and feedback, enabling staff to further develop their subject knowledge and teaching skills. ECTs benefited from tailored guidance, resulting in increased confidence when delivering a wider range of PE activities and promoting greater pupil engagement.		
Summer	During the summer term, the PE specialist supported staff with the delivery of athletics, outdoor activities and Sports Week events, ensuring high-quality provision across the school. Staff were given further opportunities to develop their confidence in organising competitions and inclusive sporting events, leaving a sustainable legacy of improved PE teaching and increased capacity to deliver engaging extracurricular opportunities independently.
